SUPPLY NOTES FOR UPPER ELEMENTARY PARENTS

Use a permanent marker to label everything your child could possibly wear or bring to school. Please DO label all your students' sweaters, hoodies, jackets, hats, etc as well as other belongings, especially personal books. If the item comes to school in a Ziploc bag, please also label the bag. This will help ensure that your student's items come back home!

Choosing a backpack

Students do not have large books or lots of paper to carry to and from school, and our cubbies have limited space for extra personal belongings. Our cubbies measure 23 1/4" high x 13" wide x 15" deep, and have a hook 16" above the bottom. Please select the smallest backpack or schoolbag that meets your needs.

*For students who like to decorate their cubbies, space is a consideration. Small tote bags work well in this situation. Cubby decorations **MUST** be small and attached to their cubby so your student's other belongings will fit. Students must be able to store their backpacks, lunchbox, and jacket in their cubbie along with any decorations. If your student brings decorations, please include Command brand adhesive or Blu-Tak to attach them (available from Wal-Mart, Target, and Amazon).*
